**COUNTY AUDITOR ROBIN HILDEBRAND ANNOUNCES SECOND QUARTER 2010  
NEWSLETTER NOW AVAILABLE**

BUCYRUS – County Auditor Robin Hildebrand announced today that the second quarter 2010 newsletter is now available for review.

“The second quarter newsletter will provide readers with some important facts about the County’s financial condition and the criminal justice levy. Also included in the newsletter is a financial review of the County’s General Operating Fund for the first six months,” says Auditor Hildebrand.

According to Hildebrand, the newsletter was developed for elected officials and citizens of Crawford County to provide basic, timely financial data and tax information in an easy to read format.

“I would continue to encourage the taxpayers of Crawford County to review “It’s Your Money” and share any comments or suggestions they may have,” says Hildebrand.

Developed in-house, “It’s Your Money” is available via the County Auditor’s website at [www.crawford-co.org](http://www.crawford-co.org), by visiting the Auditor’s Office, or by contacting the office at 419-562-7941.
