**COUNTY AUDITOR ROBIN HILDEBRAND ANNOUNCES FOURTH QUARTER 2010
NEWSLETTER**

BUCYRUS – County Auditor Robin Hildebrand announced today that the fourth quarter 2010 newsletter is now available for review.

“The fourth quarter newsletter will provide readers with an overview of the 2010 financial forecast for the County’s General Fund. Also included in the newsletter is a financial review of the County’s General Operating Fund for 2010 and an outline of the 2011 approved budget for the County,” says Auditor Hildebrand.

According to Hildebrand, the newsletter was developed for elected officials and citizens of Crawford County to provide basic, timely financial data and tax information in an easy to read format.

“I would continue to encourage the taxpayers of Crawford County to review “It’s Your Money” and share any comments or suggestions they may have,” says Hildebrand.

Copies of “It’s Your Money” are available via the County Auditor’s website at www.crawford-co.org, by visiting the Auditor’s Office, or by contacting the office at 419-562-7941 and requesting that a copy be mailed.

Something new this year, and which will be available on February 14, 2011, is that citizens may now request a copy of “It’s Your Money” be sent electronically. By providing the necessary computer information outlined in the quarterly newsletter subscription service found on the County Auditor’s website, citizens can request that a copy of “It’s Your Money” be sent electronically on a quarterly and on-going basis.
